Adopted and Filed

Pursuant to the authority of Iowa Code sections 15.104 and 15.106, the Iowa Department of Economic Development adopts new Chapter 113, "Community Microenterprise Development Organization Grant Program," Iowa Administrative Code.

The rules are intended to support microenterprise development through community microenterprise development organization grants authorized by Iowa Code section 15.240. This financial assistance will help build the capacity of community microenterprise development organizations to provide technical assistance to microenterprises, entrepreneurs and small businesses.

The rules describe the purpose of the program; provide program definitions; establish eligibility requirements; describe application submittal, review and approval procedures; and explain contract administration provisions.

Notice of Intended Action was published in the Iowa Administrative Bulletin on May 6, 2009, as **ARC 7765B**. These rules were simultaneously Adopted and Filed Emergency and were published as **ARC 7764B**.

A public hearing was held on May 27, 2009, to receive comments on these rules. The Department did not receive any written or oral comments on the new rules. The final rules are identical to the proposed rules.

The Iowa Economic Development Board adopted these rules on June 18, 2009.

These rules will become effective on August 19, 2009, at which time the Adopted and Filed Emergency rules published on May 6, 2009, as **ARC 7764B** are hereby rescinded.

These rules are intended to implement Iowa Code section 15.240.

EDITOR'S NOTE: Pursuant to recommendation of the Administrative Rules Review Committee published in the Iowa Administrative Bulletin, September 10, 1986, the text of these rules [Ch 113] is being omitted.
